GREAT ROCK ISLAND ROUTE

TO THE EAST.

BEST DINING CAR SERVICE IN THE WORLD.

The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved patterns.

Faithful and capable management and polite, honest service from employees are important items. They are a double duty—to the Company and to travelers—and it is sometimes a task of accomplishment. Passengers on this line will find little cause for complaint on that ground.

REMEMBER
The Great Rock Island Route runs all regular trains to Englewood Luburban station, close to World's Fair grounds, and you can save time and trouble by getting off at that point and avoid the crowd in the city.
